**SEVEN CORNERS**

# why choose seven corners?

## why you need this program

The United States offers the most comprehensive medical care, but it is often complicated as well as very expensive. For a visitor to the United States or a recent immigrant, finding an insurance program that is easy to understand and reasonably priced is often difficult.

As a solution, Inbound® USA was developed to provide a simple program to visitors and immigrants.

This is a brief description of the Inbound® USA program. Detailed wording is outlined in the Program Summary, which will be sent to you once you have enrolled in Inbound® USA.

## eligibility

This program is available to non-United States citizens who come to the U.S. for business, pleasure, to study, or to immigrate. The program must become effective within twelve (12) months of arrival in the United States.

## period of coverage

You may initially enroll in Inbound® USA for as little as 5 days and up to maximum of twelve (12) months. If you initially purchase at least three (3) months, you may continue to renew coverage for a minimum of three (3) months at a time, at the premium rate in force at the time of renewal. Total period of coverage for Inbound® USA cannot exceed twelve (12) months (in order to reapply after the twelve (12) months, you must first return to your home country). *Please note: Once you reapply for a new policy, the pre-existing condition(s) look back starts over.*

**effective date** - Your coverage will begin on the latest of the following:

1. Your departure from your Home Country; or
2. The date your Application and premium are received by Seven Corners; or
3. The date your Application and premium are accepted by Seven Corners; or
4. The date you request on the Application.

**expiration date** - Your coverage will end on the earlier of the following:

1. The date shown on the Insurance Confirmation Card, for which premium has been paid; or
2. The date you return to your Home Country; or
3. Twelve (12) months after your original Effective Date; or
4. The day an insured becomes a U.S. citizen or is considered a U.S. resident by the state where they are residing; or
5. The date of entry into active military service.

# description of coverage

## period of coverage (cont.)

**home country** - The country where an Insured Person has his or her true, fixed and permanent residence.

Upon each renewal, the rates, benefits, and program in general are subject to change.

## renewal

If Inbound® USA is initially purchased for at least three months, one month before the expiration date, Seven Corners will send a renewal notice to the Address of Correspondence listed on the application. If you renew the coverage for three (3) or more months (up to 12 months in total), Seven Corners will continue to send renewal notices to you. If you renew the coverage for only one (1) or two (2) months, Seven Corners will assume that you no longer require the coverage and will not send another renewal notice. If you initially apply online, you will have the option to renew in whatever increment you choose (Minimum five (5) day purchase). There is a \$5 administration fee each time you renew. Again, the total period of coverage for Inbound® USA cannot exceed twelve (12) months.

## schedule of benefits

If your covered Injury or Sickness requires treatment by a physician, this program will provide benefits up to the Scheduled amount, as listed in the Schedule of Benefits which exceed the chosen Per Person Deductible (\$0, \$50 or \$100, and a \$100 or \$200 deductible for age seventy (70) and over) for each Injury and each Sickness and which are incurred within the twenty-six (26) weeks following the Injury or Sickness. Payment for any covered service will not exceed the Benefit Maximum shown. The maximum amount payable for all benefits will be no more than \$50,000, \$75,000, \$100,000, or \$130,000 for each Injury and each Sickness.

For persons age seventy (70) and over, the maximum benefit limit is \$50,000 or \$70,000 for each Injury or Sickness. The period in which covered expenses must be incurred is twenty-six (26) weeks following the Injury or Sickness, and a separate schedule applies.

## optional pre-existing conditions benefits

Inbound® USA now offers the following benefit: Should the Insured Person suffer a Myocardial Infarction or Stroke during the Period of Coverage and it is determined to be a "Pre-Existing Condition," coverage for those expenses will be covered up to the Pre-Existing Condition Benefit maximum, according to the Schedule of Benefits.
