description of coverage

why reside for your international medical program?

There is an increasing population of global citizens, people who travel from country to country or continent to continent. Included among these global citizens are those less inclined to travel, yet discerning enough to know and demand the best care available worldwide. Whatever the reason you need to leave your home country, Reside Worldwide Medical Plan will follow you. Many foreign countries have coverage options, but as a U.S. citizen you are either not eligible for coverage or the protection the plan offers is inadequate. For non-U.S. citizens, it may be difficult to find a comprehensive medical plan, which provides coverage where your local plan may fall short. Whether you are a U.S. citizen living abroad or a citizen of another country, Reside provides you with security at home and the freedom to seek care anywhere in the world.

are you eligible for the reside program?

The Reside program is available to persons of any country who are at least 15 days of age and who are not older than age 74.

For U.S. Citizens: Applicants / Insured Persons must either be outside the United States at the time of application, or plan to depart the United States within 30 days of the Certificate's Effective Date. In addition, the Insured Person must reside outside the United States at least 6 months during any given 12-month Policy Period in order to be considered an Insured Person. If an Insured Person resides in the United States longer than 6 months during any given 12-month Policy Period, their coverage shall immediately terminate.

For Non-U.S. Citizens: Applicants / Insured Persons must be outside the United States at the time of application, or plan to depart the United States within 30 days of the Certificate's Effective Date. If the Insured Person is located in the United States for more than 30 days after the Effective Date and cannot obtain other health insurance, a Proof of Eligibility Form must be submitted with the Application.

**It is the Insured Person's responsibility to maintain all records regarding travel history, age and student status and provide any documentation to the Administrator, which would verify the Eligibility Requirements.*

how long are you covered under reside?

The Reside program is annually renewable as long as the eligibility requirements are met and the renewal premium is received. There are no additional medical questions upon renewal. The company cannot single out an individual for cancellation, they can only cancel coverage for an entire class* of insureds.

**A "class" is a group of people defined by a common characteristic, including but not limited to demographic group and geographic region.*

how do you apply for coverage?

To apply for coverage under Reside, complete the enclosed application and submit the form to Seven Corners along with the appropriate premium. Seven Corners will review your application and respond within 48 hours (normal business days). In some situations, additional information or clarification may be required. Our underwriting department will contact the applicant to obtain any additional details necessary to determine acceptability. If accepted, Seven Corners will mail the Insured's ID Card with Effective Date, Certificate of Coverage, claim form, and general procedures for the use of the insurance to the address of convenience listed on the application. If Seven Corners is unable to offer coverage, the administrative department will return your premium without delay. Please be sure to answer the questions on the application in complete detail. If accepted, the application becomes part of the certificate and formal agreement with the company.

deductibles, coinsurance & policy maximums

You have your choice of six per Injury / Sickness Deductibles:
US \$70, US \$100, US \$150, US \$250, US \$500, US \$1000.

Reside does not have a coinsurance amount, apart from the chosen deductible and the limits described in the Schedule of Benefits. The Lifetime Maximum amount is listed in the Schedule of Benefits.

Should you travel during the course of treatment from one area to another (whether being treated inside the United States and Canada or outside the United States and Canada), the limitations of the new area shall apply.

what to do if you need to use the insurance?

For hospitalization and surgical procedures, contact Seven Corners Assist to obtain pre-notification services. The quality and complexity of medical treatment varies from country to country, therefore pre-notification is a requirement of the program. It allows our professionals to locate a Preferred Provider facility if available, assist you in receiving the best course of treatment, and coordinate payment with the local facility. Our objective is for you to focus your attention on your medical condition and not on administrative details.

For non-hospital or surgical related procedures, filing a claim under Reside is easy. Just complete the claim form that comes with your ID Card, sign it, and submit it along with all original, itemized bills (and receipts if you have already paid for the medical expenses) to Seven Corners for processing. If acceptable with the facility, Seven Corners will make the payment directly to the treating hospital or doctor.

description of coverage

coverage for children

If both parents are covered under Reside, the first two (2) Dependent Children between 14 days through 9 years of age will also be covered free of charge. If there are more than two (2) Dependent Children between the age of 14 days through 9 years of age, or if the children are 10 or over, the program will charge the applicable premium. If only one parent will be covered under the program, each child will be charged the appropriate rate.

newborn child coverage

When a parent remains eligible for coverage and the Pregnancy is considered an eligible pregnancy, newborn children are automatically covered for the first thirty-one (31) days after birth. In no event shall the Company's maximum liability exceed the maximum stated in the Schedule of Benefits, as to Eligible Benefits during the first thirty-one (31) days following birth for Newborn Coverage and Treatment.

In order to continue coverage beyond the first thirty-one (31) days and be accepted as any other new Insured Person subject to the Insurance Provisions, Scope of Coverage and Exclusions sections of this Certificate or other sections relating to a Newborn Child (or Children) up to the maximum amount of this Certificate the following conditions must be met: 1) An Application and any applicable premium is submitted and Approved by the Company within thirty-one (31) days of the birth of a Newborn Child (or Children); 2) The Pregnancy that led to the birth of a Newborn Child (or Children) was an eligible Pregnancy covered under this Certificate; 3) The mother of the Newborn Child (or Children) remain covered under this Certificate; 4) The mother and Newborn Child (or Children) meet and will continue to meet the Eligibility Requirements of this Certificate of Coverage.
