A misrepresentation, omission, concealment of fact, or incorrect statement may prevent recovery under the Policy only if any of the following apply; a.) the misrepresentation, omission, concealment, or statement is fraudulent or is material either to the Approval of the Coverage for the Insured Person(s) or payment of otherwise Eligible Benefits by the Company, b.) if the Administrator or Company had known the facts prior to issuance of Coverage, the Administrator or Company would not have issued Coverage, would not have issued Coverage at the same Premium.

PATIENT SUPPORT: To ensure that Medically Necessary services, supplies and Treatment(s) are provided in the most cost effective and appropriate manner, the Company may determine that a particular claim or diagnosis occurring under this Insurance may be placed under the patient support program. Once the Insured Person(s) follows the Pre-Notification requirement and the Company determines that the condition (or Diagnosis) qualifies for the patient support requirement, the Company will advise the Insured Person(s) that a Patient Support Specialist will be assigned to the Insured Person(s) for that particular condition. From that point forward, the Company's Patient Support Specialist may make recommendations of alternative Treatment(s) in the form of other locations, other procedures, or other supplies that can be used that are more appropriate and/or cost effective for both the Insured Person(s) and the Company (and will result in the same or better care). The Insured Person(s) and the Insured Person(s)' Legally Qualified Physician(s) will have input in this evaluation. Should the recommendations be accepted by the Insured Person(s), the Insured Person(s) agrees to hold the Company harmless and the Company shall not be held liable or otherwise responsible for any Treatment(s), service, supply, procedure or care provided to the Insured Person(s) except for the payment of benefits under this Insurance. After the Insured Person(s) has been notified that the condition meets the Patient Support program requirements, the Company reserves the right to:

- a. Generate payment for Treatment(s), services, and/or supplies which are excluded under this Insurance that would be beneficial to the Insured Person(s) and cost effective to the Company; and
- b. Decline payment for expenses that would otherwise be covered under this Insurance that exceed the amount the Company would have paid had the Insured Person(s) followed the recommended Treatment(s) program established by the patient support program.

FIFTEEN (15) DAY RIGHT TO RETURN POLICY: If for any reason you are not satisfied with this Policy or any amendment/endorsement that has been added and made a part of this Policy, the Insured Person(s) may return it to the Administrator within fifteen (15) days after you receive it. The Insured Person(s) must return it to the Administrator by mail or to the agent who sold it. The Administrator will refund any Premium paid and the Policy will be deemed Void, just as though no Policy had been issued.

COMPLAINTS: Any initial inquiry or complaint should be addressed to the Administrator, as defined herein. If the Insured Person(s) is not satisfied with the manner in which an inquiry or complaint has been managed by the Administrator, the Insured Person(s) may request in writing to the Complaints & Advisory Department at Lloyd's to review the case without prejudice to your rights in law.
