

Liaison[®] Express Group

GROUP TRAVEL MEDICAL INSURANCE

Comprehensive coverage from 5 days to 180 days

For more than 25 years, Seven Corners has protected travelers all over the world. We deliver health, safety, and security to you when you are away from home. Take us on your next trip!

The Right Way to Travel[®]

Why does my group need international health insurance?

Your health insurance at home may not cover you when you travel abroad. That means you could be responsible for the bill if you get sick or hurt on a trip. Also, medical providers in foreign countries may require you to pay before they will treat you.

No matter where you go, Liaison® Express follows you with comprehensive medical coverage, an extensive directory of medical providers, and 24-hour travel assistance.

WHO CAN BUY LIAISON EXPRESS GROUP TRAVEL INSURANCE?

If you are traveling with 10 or more people, you can purchase this plan for travel outside your home country.* Travelers must be at least 14 days old and younger than 70 years of age.

HOW DO I PURCHASE A LIAISON EXPRESS GROUP PLAN?

Visit our [Liaison Express Group](#) page, complete the Quick Quote, and answer yes when asked if you are buying insurance for more than 10 travelers.

You will then be guided through the purchase process where you will provide the name of a group contact person. Once the purchase is complete, you will receive an ID card for each traveler and a copy of the plan document. We will also email ID cards to the group contact and to each insured. Travelers can access coverage information in our customer portal, [My Account](#).

WHERE CAN I TRAVEL?

Choosing a Coverage Area

You have two coverage area options.

1) Worldwide coverage including the USA — Select this if you live outside the USA and:

- You're traveling to the USA.
- Your destination is not the USA, but you have a layover in the USA.
- You're traveling in the USA and abroad.

2) Worldwide coverage excluding the USA — Select this if:

- You live outside the USA, and you won't enter the USA any time during your trip.
- You live in the USA, and you're traveling abroad (outside of the USA).

**What is my home country? For non-United States citizens, your home country is the country where you have your permanent residence. For United States citizens, including those with dual citizenship, your home country is always the United States. United States citizens cannot buy this plan for travel to the United States and U.S. territories.*

If your plan ends during your benefit period, you can still receive treatment if you are outside your home country. If you return to your home country, there is limited coverage under Extension of Benefits in Home Country.

Medical Coverage — We cover injuries and illnesses that occur during your period of coverage. Benefits are paid in excess of your deductible and coinsurance up to your medical maximum. Initial treatment must occur within 30 days of the date of injury or onset of illness.

Hospital Daily Indemnity — If you are hospitalized while traveling outside of the United States, we will pay you for each night you spend in the hospital, up to 10 days. This benefit is in addition to other covered expenses, and you may use these incidental funds as you wish.

Extension of Benefits to Home Country — This can cover expenses incurred in your home country for conditions first diagnosed and treated outside your home country (including those following an emergency medical evacuation or repatriation), if you seek treatment within 180 days of the injury or illness. *There is no coverage for pre-existing conditions.*

Incidental Trips to Home Country — This covers a new illness or injury that occurs on an incidental trip to your home country. You receive five days of coverage for each month of coverage purchased, up to 30 days. *There is no coverage if the illness or injury occurs while you are outside your home country, and there is no coverage for pre-existing conditions. Coverage is available if your period of coverage is greater than 30 days.*

Felonious Assault — This benefit can reimburse you for losses resulting from a felonious assault that occurs while traveling.

Dental Sudden Relief of Pain — The plan can pay for emergency treatment for the relief of pain to sound natural teeth. *Coverage is available if your period of coverage is greater than 30 days.*

Dental Emergency Accident Coverage — The plan can pay for emergency treatment to repair or replace sound natural teeth damaged because of an accidental injury caused by external contact with a foreign object. *You are not covered if you break a tooth while eating or biting into a foreign object. Coverage is available if your period of coverage is greater than 30 days.*

Emergency Medical Evacuation and Repatriation** — If medically necessary, we will arrange and pay for transportation and related medical expenses during transportation to:

1. Transport you to the nearest adequate medical facilities.
2. Transport you to your home country for treatment or to recover after an emergency medical evacuation.

This benefit applies regardless of whether your hospitalization is related to a pre-existing condition.

****These benefits must be arranged by Seven Corners Assist. Failure to use Seven Corners Assist may result in the denial of benefits.**

Benefit Highlights *(continued)*

Return of Children** — If you are traveling alone with children and are hospitalized because of a covered illness or injury, we will arrange and pay for: 1) One-way economy airfare to return the children to their home country and 2) Attendant/escort services to ensure the children's safety. *This benefit applies regardless of whether your hospitalization is related to a pre-existing condition.*

Return of Mortal Remains** — We can pay reasonable expenses for embalming, a minimally-necessary container for transportation, shipping costs, and government authorizations to return your remains to your home country if you die while outside your home country. You cannot use this benefit if you use the Local Cremation or Burial benefit. *This benefit applies regardless of whether your death is related to a pre-existing condition.*

Local Cremation or Burial** — This benefit can pay reasonable expenses for the preparation and either your local burial or cremation if you die while outside your home country. You cannot use this benefit if you use the Return of Mortal Remains benefit. *This benefit applies regardless of whether your death is related to a pre-existing condition.*

Natural Disaster Evacuation and Repatriation** — If you need an emergency evacuation due to a natural disaster, we will arrange and pay for: 1) Your natural disaster evacuation; 2) Lodging for five days if you are delayed at the safe location; and 3) Your return home via one-way economy class airfare. Seven Corners security personnel will determine the need for this evacuation in consultation with local governments and security analysts. *This benefit does not apply when you are in the U.S. and if the natural disaster precedes your arrival at the affected location. See plan document for additional details.*

Natural Disaster Daily Benefit — We can reimburse you for replacement accommodations for up to five days if you are displaced from planned, paid accommodations due to an evacuation from a forecasted natural disaster or following a natural disaster. You must provide proof of payment for the accommodations from which you were displaced.

Optional Coverage

Hazardous Activities

We cover typical types of vacation activities. If you plan to participate in more adventurous activities when you travel, consider buying this optional coverage for bungee jumping; caving; hang gliding; jet skiing; motorcycle or motor scooter riding whether as a passenger or a driver; parachuting; parasailing; scuba diving only to a depth of 10 meters with a breathing apparatus provided you are SSI, PADI or NAUI certified; snowmobiling; spelunking; wakeboard riding; water skiing; windsurfing; or zip lining. **You must purchase this optional coverage if you wish to be covered while riding a motorcycle, motor scooter, or similar transportation when such transportation is an established and accepted routine means of public transportation for hire in the specific geographic area where you are located in the host country.**

Excess Insurance

All coverages except Accidental Death & Dismemberment are in excess of all other insurance or similar benefit programs and shall apply only when such benefits thereunder are exhausted.

This Plan is secondary coverage to any other insurance. Such other insurance or similar benefit programs may include, but are not limited to, membership benefit; workers' compensation benefits or programs; government programs; group or blanket coverage; prepayment coverage; union, labor, or employee plans; socialized insurance program or program otherwise required by law or statute; automobile insurance; or third-party liability insurance.

Pre-existing Conditions

What is a pre-existing condition?

Pre-existing conditions include any medical condition, sickness, injury, illness, disease, mental illness or mental or nervous disorder including congenital, chronic, subsequent, or recurring complications or resulting or related consequences that existed with reasonable medical certainty when you bought the plan or any time in the 36* months before your coverage on this plan began, whether or not previously manifested, symptomatic, known, diagnosed, treated, or disclosed.

This includes, but is not limited to, any medical condition, sickness, injury, illness, disease, mental illness, or mental or nervous disorder for which medical advice, diagnosis, care, or treatment was recommended or received or for which a reasonably prudent person would have sought treatment during the 36* months immediately preceding the start date of this plan.

**For insured persons traveling outside the United States, the period is 12 months instead of 36 months*

How do we cover Pre-existing Conditions?

Many travel insurance plans do not cover pre-existing conditions. Liaison Express covers them through the acute onset of pre-existing conditions benefit for U.S. residents traveling outside the USA.

Coverage amounts vary by age. See the schedule of benefits for details.

ACUTE ONSET OF PRE-EXISTING CONDITIONS

What is an acute onset of a pre-existing condition?

It is a sudden and unexpected outbreak or recurrence of a pre-existing condition:

- That occurs spontaneously and without advanced warning in the form of physician recommendations or symptoms and requires urgent care;
- That occurs while you are covered, after the 72-hour (three-day) waiting period; and
- For which treatment is obtained within 24 hours of the sudden and unexpected outbreak or recurrence.

A pre-existing condition is not an acute onset of a pre-existing condition if:

1. The condition is chronic, congenital, or gradually becomes worse over time; or
2. If, during the 30 days prior to the acute event, you had a change in prescription or treatment for a diagnosis related to the underlying pre-existing condition.

Coverage ends on the earlier of:

1. The condition no longer being acute; or
2. Your discharge from the hospital.

There is no coverage for known, scheduled, required, or expected medical care, drugs, or treatments existent or necessary prior to departure from the USA and before your coverage begins.

There is no coverage for treatment for which you have traveled or conditions for which travel was undertaken after your physician limited or restricted travel.

Good Faith Efforts

Seven Corners will make good faith efforts to provide the services and assistance described in this brochure. If Seven Corners is unable to do so due to circumstances beyond its control or due to circumstances that make it unsafe for persons to provide such services and assistance, then Seven Corners will provide the services and assistance to the extent reasonable and possible. If Seven Corners is unable to directly arrange services, expenses incurred by you for services that would otherwise be covered under this plan and that would typically be arranged by Seven Corners may be eligible for reimbursement and should be submitted for consideration. It is your responsibility to preserve all documentation of related financial transactions you wish to be considered for reimbursement.

Filing a Claim

For a claim to be payable, it must meet the terms and conditions in the Liaison® Express Group plan document.

In addition, you must submit a completed claim form to us within 90 days of the date of service.

Claims are paid two ways:

1. We pay your provider if they did not require you to pay up front. To do this, we need an itemized bill from the provider along with a claim form completed by you.
2. We reimburse you if you paid medical expenses up front. To do this, we need an itemized bill (showing you paid the expenses) along with a claim form completed by you.

Important: If you are traveling in the U.S. and visit a provider in network, please do not pay for services up front and instead allow the provider to bill Seven Corners. Your ID card will provide information about the PPO network in the United States.

Visit sevencorners.com/claims to find forms and instructions on filing a claim.
