LENGTH OF COVERAGE

Your coverage length may vary from 5 to 187 days. For persons traveling to the United States, the program must become effective within 3 months of arrival in the United States.

Coverage Start Date - This is the start date of your plan. Coverage begins at 12:01 AM North American Eastern Time on the later of the following dates: 1) the day after we receive your application and correct premium if you apply online or by fax; or 2) the day after the postmark date of your application and correct premium if you apply by mail; or 3) the moment you depart your home country; or 4) the date request on your application.

Coverage End Date - Your coverage ends at 11:59 PM North American Eastern Time on the earlier of the following: your return to your home country (except for Home Country Coverage); the end of the coverage period purchased; when you are no longer eligible for coverage; or when the maximum benefit amount has been paid.

Continuing Coverage - If you initially buy less than 187 days of coverage, you may purchase additional time, to a total of 187 days. Your initial coverage start date is used to calculate your deductible and coinsurance and to determine pre-existing conditions. We will send a renewal notice to your email address, giving you the option to extend your plan. A \$5.00 administrative fee will be included for each renewal.

Once your coverage exceeds 187 days, you must return to your home country for a minimum of 30 days before purchasing a new plan.

PRE-EXISTING CONDITIONS

Pre-existing conditions are normally not covered on travel medical plans. Liaison Continent provides this coverage in two separate benefits explained below.

WAIVER OF PRE-EXISTING CONDITIONS

U.S. Residents traveling outside the United States

We pay up to the specified limit for a sudden, unexpected recurrence of a pre-existing condition. This benefit does not cover known, required, or expected treatment of any kind existent or necessary for 12 months prior to your coverage.

ACUTE ONSET

Non-U.S. Residents under age 70 traveling in the United States

We pay up to \$25,000 (ages 65-69 limited to \$2,000) for an acute onset of a pre-existing condition *if it occurs during your coverage period while you are in the United States, and if you receive treatment in the United States within 24 hours of the sudden and unexpected recurrence.*

Coverage is available for eligible medical expenses until the condition is no longer acute or you are discharged from the hospital. This benefit covers one acute episode per pre-existing condition. In addition, we provide up to \$25,000 for emergency medical evacuation.

An Acute Onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence of a pre-existing condition which occurs spontaneously and without advance warning either in the form of physician recommendations or symptoms and requires urgent care. A pre-existing condition that is a congenital condition or that gradually becomes worse over time will not be considered an acute onset. A pre-existing condition will not be considered an acute onset if during the 30 days prior to the acute event you had a change in prescription or treatment for a diagnosis related to the acute event. This benefit does not include coverage for known, scheduled, required, or expected medical care, drugs or treatments existent or necessary prior to arrival in the United States and prior to the coverage start date.

DESCRIPTION OF COVERAGE

PRE-CERTIFICATION*

The following expenses must always be pre-certified:

- Inpatient stays
- Rehab inpatient stays
- Outpatient surgeries/procedures
- Diagnostic procedures including MRI, MRA, CT and PET Scans.
- Chemo Therapy
- Radiation Therapy
- Physical and Occupational Therapies
- Home Infusion Therapy
- Home Health Care

To comply with the pre-certification requirements, you must do the following:

1. Contact Seven Corners Assist at the telephone number on your ID card as soon as possible before the expense is incurred;
2. Comply with Seven Corners Assist's instructions and submit any information or documents they require;
3. Notify all physicians, hospitals and other providers that this insurance contains pre-certification requirements and ask them to fully cooperate with Seven Corners Assist.

If you comply with the above requirements and the expenses are pre-certified, we will review the medical expenses to determine if they are covered according to the terms of the plan document.

If you do not comply with the pre-certification requirements or if the expenses are not pre-certified, we will review the medical expenses to determine if they are covered according to the terms of the plan document. If covered:

1. The eligible medical expenses will be reduced by 25%; and
2. The deductible will be subtracted from the remaining amount; and
3. The coinsurance will be applied.

Emergency Pre-certification – In the event of an emergency hospital admission, pre-certification must be made within 48 hours, or as soon as reasonably possible.

Pre-certification Does Not Guarantee Benefits – The fact that expenses are pre-certified does not guarantee coverage for, or payment of the service or procedure reviewed. Eligibility for and payment of benefits are subject to all the terms, conditions, provisions and exclusions in the plan document.

Concurrent Review – For inpatient stays of any kind, Seven Corners will pre-certify a limited number of days of confinement. Additional days of inpatient confinement may later be pre-certified if an insured receives prior approval.

*Pre-certification requirements are applicable for treatment in the United States.

PROVIDER NETWORK

You can locate a network provider at sevendcorners.com/help/find-a-doctor or by contacting Seven Corners Assist. Inside the U.S., the network is not required although there are potential savings with its use. Outside of the U.S., we have an extensive network of providers, many of which have direct pay agreements. We recommend you contact us for a referral, but you may seek treatment at any facility.

Utilizing the network does not guarantee benefits or that the treating facility will bill Seven Corners direct. We do not guarantee payment to a facility or individual until we determine that it is an eligible expense.

OPTIONAL COVERAGE - HAZARDOUS SPORTS

Would you like to include some adventure in your travels? You may buy coverage for the following activities: motorcycle/motor scooter riding (passenger or driver), hang gliding, Parachuting, zip lining, parasailing, bungee jumping, water skiing, wakeboard riding, jet skiing, windsurfing, snowmobiling, and spelunking.

REFUND OF PREMIUM/CANCELLATION

If your request is received after your coverage start date, the unused portion of the plan cost may be refunded minus a cancellation fee, if you have not submitted any claims to Seven Corners.

CLAIMS

Filing a claim is easy! Simply send the itemized bill to Seven Corners within 90 days, along with a completed claim form. Payments can be converted to a currency of your choosing. You're only responsible for your deductible and coinsurance and any non-eligible expenses.
