Insurance benefits are subject to limitations and exclusions, including an exclusion for pre-existing conditions. The insurance provided by the plan is in excess of all other valid and collectible insurance or indemnity. This means, among other things, that the plan can only pay for medical expenses if they are not covered by your primary health insurance and for baggage and checked baggage expenses not reimbursed by your common carrier, hotel or travel supplier, or other applicable insurance plan.

Travel assistance services are not insurance, and they are provided by Seven Corners Assist. Benefits listed can vary by state of residence.
